Am B7

My love for you, beautiful mokihana  
 Wind blown is your sweet scent

The fragrance of the upland breeze  
 Entwined with the small-leaf maile

The tiny berries adorn the bosom  
 Perfect in the rain of Wai'ale'ale

My eyes well when I see you  
 The famous wreath of Kaua'i

Am

This song is sung for the beauty of the mokihana  
 And its' wind-blown fragrance
